

## Dear Volunteers,

We are really thankful for your help with searching for the woman, who mysteriously disappeared from her home. We heard that someone saw her in the southern part of England. We couldn't find this person, but he left us some clues. Unfortunately all of them are locked. To find out the information we must

[open eight locks.](#)

Find the locks, click on them

and answer the question to get the password which opens it. You will have some help if you click on the bulb.

To find the name of the place where the witness saw Agatha you will need the following letters:

	<b>The fourth letter of the number.</b>	
	<b>The first letter of your solution.</b>	
	<b>The second letter in the name of the hotel.</b>	
	<b>The last letter in the name of the sport.</b>	
	<b>The first letter of the solution.</b>	
	<b>The second letter in the name of the city.</b>	
	<b>The first letter of the surname.</b>	
	<b>The last letter of the first name.</b>	

Put the letters in the correct order to get the name of the place. It is the password to the door of your challenge. [Click here to get the entry.](#)
